Schinnerer Announces Accident & Health Coverage for Public Entities

San Francisco, CA—Schinnerer Insurance Services announces the launch of Accident & Health policies to cover volunteer activities, civic group functions, special events, fundraisers and youth sports teams. These products help manage risk, reduce economic impact, provide valuable coverage for participants and encourage people to get involved with the assurance that they're covered. Premiums start at \$350 annually for each.

Volunteer Accident Insurance provides protection to entities with any number of volunteers. If an accident occurs, the volunteer receives a substantive benefit without exposing the public entity's General Liability or Workers Compensation policies to additional claims.

Park & Recreation-Team Sports Insurance provides protection to team members participating in a scheduled game, an official tournament or team practice. Coverage may include coaches and volunteers. All sports are eligible.

Child Care Group Accident Insurance provides protection for staff members and preschool children enrolled in a daycare facility or nursery.

Schinnerer Insurance Services has been insuring Public Entities for more than 25 years. For more information on Schinnerer's Public Entity programs for transits and municipalities, go to: www.PublicEntities.com.
