Schinnerer Sponsors Architectural Record's Practice Matters Website

Chevy Chase, MD – Victor O. Schinnerer & Company announces its sponsorship of the Practice Matters section of *Architectural Record's* website, www.archrecord.com. As the sole sponsor of the Practice Matters site, Schinnerer will create a link from the site to its own content-specific information to help users find information related to insurance for design firms and consultants, as well as insurance-related articles written by senior-level Schinnerer staff members.

Archrecord.com includes many of the features available in the print edition, including stories on design, building technology, access to continuing education and architectural products, as well as frequently updated news and expanded building types studies. The *Practice Matters* section augments *Record's* award-winning coverage of issues related to the practice of architecture. Included are current and archived columns and feature stories from the print edition that cover diverse topics such as risk management, ethics, practice management and firm culture.

Architectural Record is a publication of McGraw-Hill Construction, which is part of The McGraw-Hill Companies (NYSE: MHP). McGraw-Hill Construction serves more than one million customers within the \$4.6 trillion global construction community. For more information, visit www.construction.com.
