## Schinnerer Introduces New Real Estate Professional Liability Policy Endorsements

**Chevy Chase, MD** – Schinnerer announces two upgrades to its real estate errors and omissions policy endorsements. These upgrades are to its *discrimination endorsement* and to its *environmental hazards endorsement*. These upgrades make the policy more comprehensive, providing better protection to real estate firms. Both enhancements are included in the standard policy.

The *discrimination endorsement* will automatically include a sub-limit of up to \$100,000. This is an increase from \$25,000 in most states, for no additional premium.

The *environmental hazards endorsement* will be automatically included up to policy limits at no additional charge. A 10% additional premium was charged previously.

Schinnerer is in the process of filing the updates in all states. Approximately one-half of the states will reflect these enhancements as of October 1, 2006. As states approve the upgrades, they will be posted on our website at [www.PlanetRealtyChoice.com](http://www.PlanetRealtyChoice.com).
