Schinnerer Publishes Contract Review Guide for Surveyors

Chevy Chase, MD—Schinnerer recently released the *Surveyor's Terms and Conditions Review Guide*, a publication to help surveyors review their contracts for potential risk. The guide points out potentially troublesome sections found in typical contracts and offers sample provisions.

Topics covered include compensation, dispute resolution, contract termination and hazardous environmental conditions.

The *Surveyor's Terms and Conditions Review Guide* is part of a series of contract guides published for many specialty niches within the Schinnerer program. It is available to all CNA/Schinnerer-insured surveyors.

The surveyor's guide was produced as a supplement to *The Surveyor's Contracts and Risk Management Manual*, published jointly by Schinnerer and the American Congress on Surveying and Mapping (ACSM). This manual is free to CNA/Schinnerer policyholders. Non-policyholders can purchase the manual through the ACSM's website, www.acsm.net.

Victor O. Schinnerer & Company, Inc., is one of the largest and most experienced underwriting managers of professional liability and specialty insurance programs in the world. Schinnerer now serves more than 20,000 insureds in the construction industry program through independent agents and brokers. Learn more about Schinnerer at www.Schinnerer.com.
