

WHAT IS IT?

Schinnerer's Middle Market Package Policy protects the tangible aspects of your firm. We offer the following coverages:

- Property coverage including options for building, business personal property, business income, account receivables, valuable papers, contractors equipment and electronic data processing.
- Owned, hired and non-owned auto liability
- General liability
- Workers' compensation
- Owners or contractors protective liability
- Umbrella
- Crime

WHO IS IT FOR?

This program is available to a wide range of design professionals, including architects, engineers, land surveyors, landscape architects and consultants.

Middle Market P&C is designed for:

- Firms that are principally operated by licensed professionals and/or design professionals/consultants
- Firms with 50 percent or more of the professional fees derived from:
 - Engineering or architectural designs
 - Drawings
 - Reports or other contractual professional service
 - Surveying services
- Any risk considered a miscellaneous design consultant (see reverse)

Coverage for smaller firms is available on another policy coverage form.
