Risk Management's Electronic Presence

www.PlanetRiskManagement.com

Schinnerer's Risk Management Services is always looking for ways to reach our insureds and brokers and to inform the design and construction industry as a whole. Visit our website at www.PlanetRiskManagement.com to access a myriad of resources that can help manage a firm's risk. In addition, we also offer the following options for insureds and brokers to keep abreast of the latest news, trends, and other important information from Schinnerer.

Risk Management Blog

We post new blog entries regularly, so please sign up for our risk management blog's RSS feed at www.Schinnerer.com/blogs/rm/rss.xml.

RSS Feed

RSS stands for Really Simple Syndication. It's an easy way for anyone to keep up-to-date on favorite websites and blogs. You sign up to a site's feed so that you get updates whenever something new is added to the site. Follow our RM website feed at www.Schinnerer.com/risk-mgmt/Documents/vos-rss-rm-policyholders.xml.

Social Media Profiles

We have social media profiles on Facebook and Twitter to enable us to offer other avenues to engage insureds and brokers about topics relevant to the industry and to increase awareness of all of the risk management resources and services we offer. Follow us today!
