

WHY DO I NEED INSURANCE?

MISTAKES HAPPEN

Every company makes a mistake at some point because you can't be everywhere all the time. Errors and omissions coverage insures not only your mistakes, but the mistakes of any employees or independent contractors you hire.

COMPLEX TRANSACTIONS

Real estate transactions are becoming increasingly complex and any lawsuit, even frivolous, can cost your firm time and money. Now, more than ever, it is critical that all real estate professionals carry E&O insurance from a reputable carrier. In fact, if you are a franchisee of a major real estate company, carrying E&O insurance is typically a requirement.

IT CAN COST YOU YOUR BUSINESS

If you are ever sued and a judgment is awarded or a settlement is reached, defense costs and payouts could reach hundreds of thousands of dollars. Without proper coverage, you could be responsible for these costs. E&O insurance covers these costs to protect you, your sales associates, your reputation, and your business finances.
